

## Waitlist Policy 2014

Children Come First waitlist policy states that parents must contact the program by phone or email in January of the year they wish for their child to attend. At the end of December each year the wait list will be dissolved and we will start taking names again after the 15<sup>th</sup> of January. If a parent gets called once throughout the year to take a spot that has opened up and they refuse the spot they will be taken off the list and will have to wait until the next year to go back on. Once the waitlist hits 30 we will closed the waitlist for the year.
